WHAT IS UC DAVIS YOUTH PROGRAMS?

With outstanding facilities and recreation professionals at UC Davis, Youth Programs offers a diverse range of high quality camps, classes, trips and swim lessons for youth up to age 18. Participants may enhance their creativity in the well-equipped Craft Center, learn about teamwork and fitness at the air-conditioned Activities and Recreation Center, improve their swimming skills at the Recreation Pool, or bowl some strikes at the Memorial Union Games Area. Our staff is comprised of highly qualified UC Davis students who are passionate about making this summer an exciting one for your kids.

Program Goals for Participants

1. Engage in experiences that encourage **LEADERSHIP** and **TEAMWORK**.
2. Develop **COMPETENCE** in **RECREATION SKILLS**.
3. Learn and develop **FRIENDSHIP SKILLS**.
4. Develop an affinity for one’s **ENVIRONMENT** and **COMMUNITY**.
5. Utilize opportunities to take **RESPONSIBILITY** and foster **INDEPENDENCE**.
6. Have **FUN** while accomplishing goals.

Summer Schedule

This year, unfortunately the Davis Joint Unified School District (DJUSD) calendar does not align with the UC Davis academic calendar as it has the past few summers. The last day of school for DJUSD is June 9 and UC Davis students are in finals the following week, June 12-16. With all of our staff being UC Davis students, and academics being their first priority, we had to make the difficult decision to start camps this summer the week of June 19-23. We know that this will be an inconvenience for many working families, however we believe the quality of our programs along with our student’s academic success would be negatively impacted trying to schedule counselors to shifts during their finals week. We look forward to seeing your campers after our students have completed finals and commencement ceremonies when they can focus on creating a memorable and exciting summer for your children.

ARC Construction

This summer, the ARC (Activities and Recreation Center) will be undergoing a major renovation. Some of our programming space will be impacted due to construction. We anticipate that the Rockwall will be closed, as will some other spaces in the ARC. We have eliminated our Fit-Well camps for the upcoming summer in order to accommodate the reduction in space. All spaces that we will be utilizing for camps will be approved and safe for use. We do not anticipate that the spaces we will be using will be impacted, but we ask you to watch for communication if changes are made during the construction to ensure safety for our campers. The main impact for you will be accessing the ARC. The main entrance will be closed to everyone. We will be using back and side entrances as the main access points to the facility. We appreciate your patience during our construction phase. We will all be experiencing some growing pains while we expand our facility to accommodate our growing student population and changing needs of all of our users.

WHO ARE THE STAFF?

In addition to being committed to the development and enrichment of our campers, we are also committed to UC Davis student development. All of our counselors and instructors are undergraduate students, graduate students or recent graduates of UC Davis.

Staff Selection and Training Process

Our staff members are selected after a competitive application process that includes written responses, reference checks, thorough criminal background checks and group interviews that involve preparing and leading a program. All staff members are required to be first aid and CPR certified prior to starting work. Our 10-week, 2-unit internship training course contains mandatory topics required by the American Camp Association. All staff are trained on their responsibilities as mandated reporters, and we continue to make this one of our top priorities in preparing our staff for their positions. We feel that our staff selection process and training program are essential in providing an enriching and enjoyable experience for everyone involved.

Office Staff

Our Youth Programs office staff have all spent at least one season in our program, bringing experience and expertise to their supervision and administration of our diverse program offerings. They come from various majors and have a passion for helping youth fully experience recreation and all the fun that camp has to offer. Abigail Luce, Joshua Morrow, Sierra Jasper, Becky Pople and Meghan Nevarez are the office staff student managers in charge of programming our camps and overseeing camp staff. All the office staff members are looking forward to another great summer of working with campers and their families.

Isabel Dueñas, Coordinator

Isabel joined our team in the spring of 2016 and hit the ground running. With a full summer now under her belt, she is ready to bring all of her experience and knowledge to the planning and implementation of programming for the summer of 2017. Isabel comes from the University of Southern California at which she worked for over six years at a Pre-College Enrichment Academy bringing students from the local community onto campus and preparing them to attend the University of their dreams. Isabel has a background in camp and education fields and in working with youth at a collegiate level. Isabel is a proud Trojan whose passion is serving youth and helping them thrive!

Jeff Heiser, Senior Assistant Director

Our senior assistant director, Jeff Heiser, has been working in the camp and recreation field for over 15 years. He has directed both residential and day camps in nonprofit and public settings. Jeff received his undergraduate degree at UC Santa Cruz, his master’s in recreation and leisure studies at San Francisco State University and is an active volunteer for the American Camp Association as an accreditation visitor and a member of the Local Council of Leaders. His children will all be participants in programs this summer in both swim lessons and Aggie Camps B and C.

Contact Us

If you have any questions about any of our programs, need help with registration or have any other inquiries, please feel free to contact us at 530-754-4304 or youthprograms@campusrec.ucdavis.edu.

Where We’re Located

The Youth Programs Administrative Office is conveniently located next to the UC Davis Recreation Pool at Hutchison Drive and La Rue Road. Visitor parking permits and meter parking are both available in Parking Lot 30. Call Transportation and Parking Services (TAPS) at 530-752-8277 or visit taps.ucdavis.edu for more information on campus parking.

Age Ranges and Program Groupings

Our camps are organized by age range in order to enhance participant experience. All camps fit within five program groups. Their respective age/grade ranges appear in the table below:

<table>
<thead>
<tr>

OTHER DRESS-UP DAYS

In addition to our themed Friday dress-up days, every Wednesday we wear wacky socks.
SCHEDULING AND REGISTRATION

ONLINE REGISTRATION

Experience the ease of online registration from the comfort of your home, available starting March 13 at 12 p.m. It’s the stress-free, convenient way to sign your child up for his or her favorite summer camps and activities. You can even get a head start by updating your information, adding family members and filling out forms online before registration day. Please follow the steps below.

If you registered last summer, use the same login information. Please review and resubmit forms to ensure we have your most up-to-date information.

Step One (New Users)
Create a profile for yourself today at myrecreation.ucdavis.edu. Look for the link under Step 1 titled “Create Profile.”

Step Two (New Users)
Once you have created your profile online, you may begin adding child dependents to create a household profile. To do this, you will need to select the “My Profile” link at the top of the store page. On the My Profile page, select “My Family” and then “Add Child Dependent.”

Step Three (New and Returning Users)
When you have finished adding your children to your profile, you will then need to complete the necessary forms for each child under “My Forms.” Complete both the Household Data and Emergency Contacts and the Youth Medical Information for each child.

Returners who filled out online forms last year need to review the 2017 forms to be sure the information is correct and accurate. Please review forms and pay particularly close attention to grade levels, phone numbers and emergency contacts. Please update as necessary.

Step Four (New and Returning Users)
After completing all the above steps, you will be able to register for summer programs starting on Monday, March 13 at 12 p.m. If you have trouble with online registration, call the Youth Programs Administrative Staff during regular business hours at 530-754-4304.

After Registering
After registering for a camp/program, you will receive an email receipt. In May, we will begin sending out handbooks with information regarding the specific camp(s) that your participant is registered for. These handbooks will have a significant amount of important information, including what to bring, what not to bring, check-in/out procedures, camp themes, etc.

Please note that programs are currently visible on our website, but will not be available for purchase in the online store until March 13 at 12 p.m.

Payment Options
Payment is due at time of registration. We accept Visa, MasterCard, Discover and American Express.

Note: Discover and American Express payment options are only available online. Visa and MasterCard may be used online or in person. We do not accept cash. All registrations must be submitted either in person or online. We are unable to take registrations over the phone.

CHECK-IN AND CHECK-OUT ACCOMMODATIONS

In order to accommodate parent work schedules, we offer early check-in and late check-out options. See page 4 for schedules.

HOLIDAY CLOSURE

All camps, programs and lessons will be closed on Tuesday, July 4. Prices are adjusted accordingly and appear throughout the guide. The UC Davis Recreation Pool will be open for public swim.

How to Find Your Classes in the Online Store

Option One (Recommended):
The easiest way to find the program you are looking for in the online store is to type the camp code into the search bar at the top of the screen. This will take you directly to the program you are looking for.

Option Two
If you are not sure which program you are looking for and would like to review all the programs in the store, select the Youth Programs link on the left-hand navigation bar. This will bring you to a list of everything available for online registration in Youth Programs. You can then select the camp of your choice by selecting the “Add to cart” button next to the camp you would like to register for.

If you have any questions or concerns, please contact the Youth Programs Administrative Office at 530-754-4304 or youthprograms@campusrec.ucdavis.edu.
**EARLY CHECK IN**
All Ages

**EARLY CHECK IN**
7:30 a.m.–8:30 a.m. • $20

Early Check In begins at 7:30 a.m. at the Recreation Pool and is charged on a weekly basis. The cost for a week of Early Check In is $20. You can purchase Early Check In online (similar to regular camp registration) or by calling our office. For online registration, please use the following codes:

Camp Day: 8:30 a.m.–3 p.m. (All Morning Programs)

**AFTERNOON ADVENTURES**
All Ages

**AFTERNOON ADVENTURES**
3–6 p.m. • A $55 • B $60

Afternoon Adventures is the perfect program for campers who just didn’t get enough camp during the day. Campers of all ages can enjoy a fun-filled afternoon from 3–6 p.m. at the UC Davis Recreation Pool playing games, making crafts, swimming and hanging out with new friends on the lawn. This camp allows for a less structured schedule in which campers can choose between a variety of games and activities. Please note that all campers must be picked up by 6 p.m. A late fee of $15 will be applied if campers are picked up after 6 p.m.

Afternoon Adventures Program Time: 3–6 p.m.

3–3:15 p.m. Check in from Morning Camp (counselor facilitated)
3:15–5:45 p.m. Swim/lawn activities
5:45–6 p.m. Clean up
6 p.m. Final check out at Recreation Pool

**AGGIE CAMP A**
Ages 4–5

**AGGIE CAMP A**
8:30 a.m.–3 p.m. • A $150 • B $160

Aggie Camp A is the perfect introduction to traditional summer camp for youth ages 4–5. Their day will include interactive projects, such as drawing and making crafts, coupled with exciting outdoor activities, including scavenger hunts and tag. Each week of camp will have a theme that will correspond with our activities. In some weeks throughout the summer, campers will get to participate in special programs with visitors from exciting organizations such as the Bohart Museum of Entomology and UC Davis Fire Department. This camp is a great opportunity for young children to make new friends and gain the self-confidence needed to be successful in kindergarten and future schooling.

This camp will be scheduled to swim on set days. The swim schedule will be included in the Parent Handbook, which will be available in the spring. Campers who choose not to swim will have the option to participate in nonaquatic activities.

Note: All children must be fully toilet trained to come to camp.

*Special rate due to July 4 closure.
Aggie Camp B is an engaging experience for youth ages 6–7. There is a focus on exciting indoor and outdoor activities, as well as on learning new skills and discovering new talents. Each week will feature an original theme that will be emphasized by activities throughout that week. Our staff will inspire campers to come out of their comfort zones and build self-confidence by creating a safe and fun environment. From creating paper bag puppets to learning camp songs, campers will have fond memories to take home.

This camp will be scheduled to swim on set days. The swim schedule will be included in the Parent Handbook, which will be available in the spring. Campers who choose not to swim will have the option to participate in nonaquatic activities.

**AGGIE CAMP B**

**8:30 a.m.–3 p.m.**  
**A $150**  
**B $160**

Aggie Camp B Swim is a unique camp that provides 45–minute swim lessons, Monday–Thursday, for ages 6–7. Campers will meet at the Recreation Pool and go through the normal check-in process, starting at 8:30 a.m. They will be required to come to camp in a bathing suit and sunscreen, and bring a set of clothes, including their camper shirts, to change into after the lesson. On Mondays, campers will be assessed as a group and placed into different levels based on our swim instructors’ evaluations. These lessons will encompass all levels of swimmers, from Batray (beginner) to Halibut (advanced). Campers will receive a swim report card at the end of the week. If a camper misses two or more days, they will not receive a report card, because there will not be enough time to develop and evaluate skills.

Lessons will begin at 9:20 a.m. and end at 10:05 a.m., when they will change and begin camp activities. The campers will have opportunities to engage in fun indoor and outdoor activities that will help build self-confidence and friendships. In addition to swim lessons, this camp will have recreational swimming on set days. The swim schedule will be included in the Parent Handbook, available in the spring. Campers who choose not to participate in recreational swimming will have an option for nonaquatic activities.

**AGGIE CAMP B SWIM LESSONS**

**8:30 a.m.–3 p.m.**

Craft programs are designed to promote a fun, holistic learning experience with activities scheduled outside of the craft center during the afternoons. These may include swimming at the Recreation Pool, craft-related group games, dodgeball, and exploring public art displays on campus. These activities will also give campers a chance to explore the campus and meet other campers outside of their specific camp.

Ceramics
A $175 • B $185

After success last summer introducing ceramics to B campers, we are now offering a ceramics camp for them each week of the summer. They will learn how to hand build pieces of art using clay which will then be bisque fired for them to pickup and take home the following week.

PROJECTS: Pinch pots, coiled pots, pendants, handprint mosaics.
SKILLS: Campers will learn the basics of working with clay and hand building.

Craft Sampler
A $175 • B $185

In a mash up of several of the craft camps offered, craft sampler allows campers to explore a wide variety of different forms of art throughout the week.

PROJECTS: Fuse-bead creations, dream catcher, door-hanger.
SKILLS: Campers will learn how to use several different mediums and techniques while using their own creative vision in their crafts.
**Green Craft**  
A $165 • B $175

Campers will learn the importance of recycling and its impact on our environment. They will be taught how to use this knowledge to have fun and create eco-friendly crafts from recycled materials.

**PROJECTS:** Mini lid banjo, egg box animal creations, nature wind chime.  
**SKILLS:** Learning about the process of recycling and how trash can be made fun and useful through creativity and crafting.

---

**DANCE CAMPS**  
8:30 a.m.–3 p.m.

**Exploration of Movement**  
A $150 • B $160

Make new friends while exploring the art of movement through basic dance techniques, tumbling and movement games. Each Friday, we will present a special performance for family and friends to showcase all choreography the campers learned throughout the week. Campers will also work on creating their own costumes for the performance! Movement camp welcomes all skill levels and disciplines.

This camp will be scheduled to swim on set days. The swim schedule will be included in the Parent Handbook, which will be available in the spring. Campers who choose not to swim will have the option to participate in nonaquatic activities.

---

**CFTGB3** July 3–7  
A $132 / B $140*  
**CFTGB4** July 10–14  
**CFTGB5** July 17–21  
**CFTGB8** August 7–11  
**CFTGB9** August 14–18

*Special rate due to July 4 closure.

Pricing Key:  
A = UCD Student / CRU Member  
B = Non-UCD Student / Non-CRU Member
AGGIE CAMP C

8:30 a.m.–3 p.m.  A $165  •  B $175

Aggie Camp C is designed for youth ages 8–10. Campers will enjoy a wide range of activities from engaging projects to exciting games. Campers will participate in new and exciting outdoor and indoor games, as well as a host of field trips and tours on, around, or off the UC Davis campus. Campers will have the opportunity to try new activities and acquire useful skills. All the while, our staff will foster an environment that provides support and builds self-confidence. Due to the amount of walking, we encourage campers to pack lightly and wear comfortable shoes.

This camp will be scheduled to swim on set days. The swim schedule will be included in the Parent Handbook, which will be available in the spring. Campers who choose not to swim will have the option for nonaquatic activities.

AGGIE CAMP C SWIM LESSONS

8:30 a.m.–3 p.m.  A $175  •  B $185

New for summer 2017, Youth Programs will now be offering a unique camp with 45–minute swim lessons, Monday–Thursday, for ages 8–10. Campers will meet at the Recreation Pool and go through the normal check-in process, starting at 8:30 a.m. They will attend camp each day in regular clothes and they will have an opportunity to change into swim attire prior to the start of lessons. On Mondays, campers will be assessed as a group and placed into different levels based on our swim instructors’ evaluation. These lessons will encompass all levels of swimmers, from Batray (beginner) to Halibut (advanced). Campers will receive a swim report card at the end of the week. If campers miss two or more days, campers will not receive a report card because there will not be enough time to develop and evaluate skills. Lessons begin at 12:10 p.m. and end at 12:55 p.m. Before and after that time, campers will engage in various exciting games and crafts, such as medic ball and infinity tag, while making new friends.

In addition to swim lessons, this camp will have recreational swimming on set days. The swim schedule will be included in the Parent Handbook, available in the spring. Campers who choose not to participate in recreational swimming will have an option for nonaquatic activities.

*Special rate due to July 4 closure.
Let’s bowl! Let’s bowl! Let’s rock and roll! Returning to Youth Programs this summer is Bowling Camp! Campers will learn the basics of bowling and participate in friendly competitions throughout the week. They will learn several different bowling games, in addition to the traditional bowling style. Bowling Camp emphasizes individual instruction. After instruction in footwork, swing, grip, finishing position, etiquette and scoring by hand, campers will quickly get into bowling real games.

*Camping tips: In the event that an unexpected loss of power occurs, please do not be concerned. We have plans in place to ensure campers are able to continue participating in their favorite activities. In the event of an emergency, please contact the camp director or the camp office. The camp office is located at 1234 Main Street, Suite 500, Sacramento, CA 94142. Should you have any questions or concerns, please feel free to contact us at (916) 123-4567.*

*Camping tips: In the event that an unexpected loss of power occurs, please do not be concerned. We have plans in place to ensure campers are able to continue participating in their favorite activities. In the event of an emergency, please contact the camp director or the camp office. The camp office is located at 1234 Main Street, Suite 500, Sacramento, CA 94142. Should you have any questions or concerns, please feel free to contact us at (916) 123-4567.*

*A $370 B $390

**Craft Camps**

8:30 a.m.–3 p.m.

Campers will have the chance to learn and strengthen new skills by creating unique pieces of art. Craft projects will range from functional to decorative depending on the chosen camp. New projects will be featured in 2017, these are highlighted below as examples of what the participants will have the option of creating. Each Friday at 2:15 p.m., campers will get to show off their creations during the craft show in the Recreation Pool Courtyard.

**Ceramics (Two-Week Session)**

A $195 B $205

**Projects:**

- Bowls, pendants, coasters

**Skills:** Campers will learn wheel throwing, hand-building and glazing.

**CFTCC8**

August 7–18

**Clothing and Accessories**

A $195 B $205

**Projects:**

- No-sew bowtie and clutch bag, tie dye t-shirts, headband

**Skills:** Campers will learn basic skills of fashion design using a range of different textiles.

**Craft Sampler**

A $175 B $185

**Projects:**

- Decorative frames, dream catcher, metal washer accessories, fuse beads

**Skills:** Campers will learn how to use several different art mediums and techniques while expressing their own creative vision in their crafts.

| **CFTSC2** | June 26–30 |
| **A $140 / B $148** |

*Special rate due to July 4 closure.*
**Drawing and Painting**

A $175  ·  B $185

Each week the theme of the projects of this camp will change depending on the overall theme of Youth Programs that week, but the skills and techniques taught will remain the same throughout the summer.

**PROJECTS:** Bright abstract paintings, detailed portraits and watercolor landscapes

**SKILLS:** Campers will learn drawing and painting techniques using watercolors, acrylic paints, ink, and graphite and colored pencils.

- CFTDC1: June 19–23
- CFTDC3: July 3–7  A $140 / B $148*
- CFTDC4: July 10–14
- CFTDC5: July 17–21
- CFTDC6: July 24–28
- CFTDC7: July 31–August 4

*Special rate due to July 4 closure.

**Green Craft**

A $165  ·  B $175

Campers will learn the importance of recycling and its impact on our environment. They will be taught how to use this knowledge to have fun and create eco-friendly crafts from recycled materials.

**PROJECTS:** Mini lid banjo, egg box animal creations, nature wind chime, ornaments

**SKILLS:** Learning about the process of recycling and how trash can be made fun and useful through creativity and crafting.

- CFTGC1: June 19–23
- CFTGC2: June 26–30
- CFTGC6: July 24–28

**Jewelry and Accessories**

A $195  ·  B $205

**PROJECTS:** No-sew mini purse, bracelets, earrings, decorative hair clips

**SKILLS:** Campers will learn about how to accessorize in style and ways to create jewelry from different mediums such as wire, thread and lots of beads.

- CFTJC1: June 19–23
- CFTJC2: June 26–30
- CFTJC3: July 3–7  A $156 / B $164*

*Special rate due to July 4 closure.

**Sewing: Beginning (One-Week Session)**

A $185  ·  B $195

**PROJECTS:** Pillowcase, pincushion, scrunchies

**SKILLS:** Campers will learn how to use a sewing machine, follow a pattern and hand-stitch.

Participants must purchase their fabric prior to the first class. Information will be emailed approximately two weeks before class starts.

- CFTBC5: July 17–21
- CFTBC6: July 24–28

**Sewing: Beginning (Two-Week Session)**

A $370  ·  B $390

**PROJECTS:** Pillowcase, pincushion, scrunchies

**SKILLS:** Campers will learn how to use a sewing machine, follow a pattern and hand-stitch.

Participants must purchase their fabric prior to the first class. Information will be emailed approximately two weeks before class starts.

- CFTBC3: July 3–14  A $333 / B $351*
- CFTBC7: July 31–August 11

*Special rate due to July 4 closure.
**Sewing: Intermediate**

A $185 • B $195

**PROJECTS:** Pajama pants, sleep mask, coin purse
**SKILLS:** Campers will expand on techniques learned in Beginning Sewing to make more complex projects using new techniques.

This camp is for participants who have attended two or more sessions of Beginning Sewing camp and/or have an intermediate understanding of sewing. Participants must purchase their fabric prior to the first class. Information will be emailed approximately two weeks before the camp starts.

---

**Woodworking**

A $195 • B $205

**PROJECTS:** Personalized storage box, string and nail art
**SKILLS:** Campers will learn how to work with a variety of tools to measure and cut wood accurately, nail the pieces together, then decorate and add to the project using their own personal creativity.

---

**DANCE CAMPS**

8:30 a.m.–3 p.m.

**Dance Intensive (Two-Week Session)**

A $260 • B $275

Participants will be introduced to new styles of dance and create lots of fun fusions of their own. Sessions will focus on techniques in areas such as hip-hop, ballet, jazz, contemporary, modern, rhythm stomp and much more. Campers will have the opportunity to experiment with basic choreography and put their new skills to work. On the last Friday of the session, participants will present a special performance for family and friends to showcase all that they learned and created during camp. All experience levels are welcome.

This camp will be scheduled to swim on set days. The swim schedule will be included in the Parent Handbook, which will be available in the spring. Campers who choose not to swim will have the option to participate in nonaquatic activities.

| CFTWC1 | June 19–23  |
| CFTWC2 | June 26–30  |
| CFTWC5 | July 17–21  |

THEATER CAMPS
8:30 a.m.–3 p.m.

IM (Intramural) Frenzy
A $145 • B $155

Based on the Intramural Sports program at UC Davis, this camp provides participants with the opportunity to learn official IM rules and practice and compete both on teams and individually in six recreational games: kickball, badminton, ultimate frisbee, futsal, quidditch and dodgeball. The first three days will be spent getting familiar with the games and building skills. On Thursday and Friday, the campers will participate in a frenzy-type tournament where they get to showcase their talents in all the new sports they’ve learned. IM Frenzy is the perfect program for campers to refine their physical and mental skills in competition, practice teamwork, and exhibit sportsmanship in a safe, respectful and exciting environment.

This camp will be scheduled to swim on set days. The swim schedule will be included in the Parent Handbook, which will be available in the spring. Campers who choose not to swim will have the option to participate in nonaquatic activities.

THEATER CAMPS
8:30 a.m.–3 p.m.

Theater Camp (Two-Week Session)
A $265 • B $285

Participants in Theater Camp will gain exposure to stage acting, which will prepare them to excel in community and school theater programs. Campers will learn improvisation techniques, vocal projection and basic production design while making new friends and creating unforgettable characters. Our theater instructors encourage creativity, independence and self-confidence in all aspects of theater and performing arts. On the final day of the session, participants will perform a short play for fellow campers, families and friends. Due to the amount of traveling, we encourage campers to bring their bikes.

SPORTS CAMPS
8:30 a.m.–3 p.m.

Flag Football Frenzy
A $145 • B $155

Flag Football Frenzy is designed to teach the game of flag football to young players while also teaching them teamwork and improving their agility and fitness. The frenzy concludes with a Friday flag football tournament in which teams will compete in games to exhibit the skills they learned during the week. This camp is a great opportunity to have fun and make new friends while staying active and healthy. Camp is open to boys and girls with any level of experience or ability. Players will be grouped by grade and ability and coached accordingly. All activities will be held on Hutchison Field on the UC Davis campus.

This camp will be scheduled to swim on set days. The swim schedule will be included in the Parent Handbook, which will be available in the spring. Campers who choose not to swim will have the option to participate in nonaquatic activities.

Inner Tube Water Polo
A $150 • B $160

Inner Tube Water Polo is an awesome way to be active while staying cool this summer. Campers will travel to the UC Davis Hickey Pool to play inner tube water polo using UC Davis Intramural Sports equipment. They will also play other aquatic games like sharks and minnows, sink or swim, relay racing, and many more. New water polo players can gain basic knowledge of the sport, and more experienced players can improve their skills. Due to the distance of travel to the pool, we encourage campers to bring their bikes.

This camp will be scheduled to swim on set days. The swim schedule will be included in the Parent Handbook, which will be available in the spring. Campers who choose not to swim will have the option to participate in nonaquatic activities.

YOUTH PROGRAMS GUIDE 2017 • CRU.UCDAVIS.EDU/YOUTHPROGRAMS
Aggie University is offered for youth ages 11-13. There will be a multitude of activities available with a focus on experiencing the unique resources UC Davis has to offer. Throughout the week, campers will travel via bike around the UC Davis campus, visiting multiple locations each day. Campers will play physically active games such as capture the flag at such locations, in addition to taking in new knowledge from tours and guides. Campers will be encouraged to have an open outlook on learning about new fields of interest at UC Davis through memorable experiences. Due to the amount of traveling, bikes are required.

BIO BOOT CAMP (Overnight Thurs.)
Monday–Wednesday: 8:30 a.m.–5:30 p.m. & Thursday 8:30 a.m.–Friday 5:30 p.m.*
$425  Entering grades 7–9

Together with the UCD Museum of Wildlife & Fish Biology and Campus Recreation, we launched Bio Boot Camp in 2011, a camp for junior high aged students who are interested in the natural sciences. There is limited enrollment and so we ask that the students themselves be part of the enrollment process. This is a full day camp from 8:30 a.m.–5:30 p.m. on Monday, Tuesday and Wednesday. Then on Thursday morning, we travel to Tahoe to the UC Berkeley Sagehen Creek Field Station in odd years (2011, 2013, 2015, 2017) and the coastal UC Davis Bodega Bay Marine Lab in even years (2012, 2014, 2016, 2018) for an overnight and exploration. We return to Davis on Friday afternoon. Transportation (vans), three meals and housing (bunkhouse or cabin) are provided. This camp has an enrollment of 12 students and two instructors.

Due to limited space in this specialized camp, there is a separate application process. Some need-based, partial scholarships are also available. To inquire about the application process and scholarships, please contact Tabatha Yang at bmuseum@ucdavis.edu or visit http://bohart.ucdavis.edu/summer-camp.html

CAMPGOV
A $165  •  B $175

CampGov is designed to introduce campers to a variety of public speaking, communication and debate techniques that they will be able to use in their future endeavors. The goal of the camp is to prepare students to think critically on the spot and to inspire an appreciation for public speaking. Throughout the week, CampGov will host a detailed Socratic seminar, a mock trial, extemporaneous speaking, Lincoln-Douglas debates, duo-dramatic interpretations, legislative debates and Karl Popper debates. There is much to pack into this one week, so campers may have to do certain research and planning on their debate or speech topics at home. This camp is indeed a great opportunity for campers to meet and discuss popular topics in a safe setting. There will also be a field trip on the Thursday of this week, to the California State Capitol in Sacramento, in which we will receive a tour of the historic building.

BOWLING CAMP
A $155  •  B $165

Let’s bowl! Let’s rock and roll! Returning to youth programs this summer is Bowling Camp! Campers will learn the basics of bowling and participate in friendly competitions throughout the week. The will learn several different bowling games, in addition to the traditional bowling style. Bowling Camp emphasizes individual instruction. After instruction in footwork, swing, grip, finishing position, etiquette, and scoring by hand, campers will quickly get into bowling real games.

Due to the amount of traveling, we encourage campers to bring their bikes. This camp will be scheduled to swim throughout the week. The swim schedule will be included in the Parent Handbook, which will be available in the spring. Campers who choose not to swim will have the option to participate in nonaquatic activities.

AGCAD1 June 19–23
Field Trip: Sky High Trampoline Park – Sacramento, CA

AGCAD4 July 10–14
Field Trips: Sacramento Zoo – Sacramento, CA

AGCAD6 July 24–28
A $185 / B $195
Field Trip: Six Flags Discovery Kingdom – Vallejo, CA

CRAFT CAMPS

8:30 a.m.–3 p.m.

Campers will have the chance to learn and strengthen new skills by creating unique pieces of art. Craft projects will range from functional to decorative depending on the chosen camp. New projects will be featured in 2017; these are highlighted below as examples of what the participants will have the option of creating. Some of the projects are similar to those in the younger craft camps but more challenging for this age group. Each Friday at 2:15 p.m., campers will get to show off their creations during the craft show at the Recreation Pool Courtyard.

The craft programs are designed to promote a fun, holistic learning experience with activities scheduled outside of the craft center during the afternoons. These will include craft-related group games, dodgeball and exploring public art displays on campus. These activities will give campers a chance to explore the campus and meet other campers outside of their specific camps.

Ceramics (Two-Week Session)

A $370 • B $390

PROJECTS: Bowls, mugs, coiled vase, pinch pot monsters
SKILLS: Campers will begin to develop a strong wheel throwing technique, skills in hand-building and accuracy in glazing detailed works of art.

CFTCD1 June 19–30
CFTCD4 July 10–21
CFTCD6 July 24–August 4

Clothing and Accessories

A $195 • B $205

PROJECTS: No-sew clutch bag, tie dye t-shirts, braided headband, galaxy t-shirts, bow ties
SKILLS: Campers will learn basic skills of fashion design using a range of different textiles.

CFTAD6 July 24–28
CFTAD7 July 31–August 4

Green Craft

A $165 • B $175

Camps will learn the importance of recycling and its impact on our environment and they will be taught how to use this knowledge to have fun and create eco-friendly crafts from recycled materials.

PROJECTS: Pringles can kaleidoscopes, cardboard desktop organizer, mini lid banjo, African thumb piano
SKILLS: Campers will learn about the process of recycling and how trash can be made fun and useful through creativity and crafting.

CFTGD7 July 31–August 4

Drawing and Painting

A $175 • B $185

Each week the theme of the projects of this camp will change depending on the overall theme of Youth Programs that week, but the skills and techniques taught will remain the same throughout the summer.

PROJECTS: Bright abstract paintings, detailed portraits and watercolor landscapes
SKILLS: Campers will learn drawing and painting techniques using watercolors, acrylic paints, ink, and graphite and colored pencils.

CFTDD2 June 26–30
CFTDD8 August 7–11
CFTDD9 August 14–18

**Bio Boot Camp 2.0 (Overnight Camp)**
Sunday noon–Saturday noon

$795 • Entering Grades 10–12

Camp is longer this year! Together with the UCD Museum of Wildlife & Fish Biology and Campus Recreation we launched Bio Boot Camp 2.0 in 2013 after much enthusiasm from Bio Boot Campers who graduated out of the junior high program. The camp is 7 days and 6 nights, so Sunday at noon to Saturday at noon. Pick up and drop off will be at the museums on the UC Davis Campus. The first night will be spent at UC Davis Quail Ridge Field Station outside of Winters, CA getting to know the Central Valley. We will be stopping at the UC Davis campus on Monday for part of the day before traveling to UC Berkeley’s Sagehen Creek Field Station outside of Truckee, CA to conduct a project and explore the area. Transportation (vans), housing (tents/cabins) and food will be provided, but campers will be expected to help prepare group meals. This camp has an enrollment of 10 students and three instructors.

Due to limited space in this specialized camp, there is a separate application process. Some need-based, partial scholarships are also available. To inquire about the application process and scholarships, please contact Tabatha Yang at bmuseum@ucdavis.edu or visit http://bohart.ucdavis.edu/summer-camp.html

| BBCBT2 | July 23–29 |
Campers in Leadership Training (CILT)
(Two-Week Session)

Campers will learn valuable communication and leadership skills during this two-week camp. CILTs complete training modules and activities that teach skills they can apply to working with individuals and in group settings. CILTs also discuss strategies for youth management in and outside the camp setting. During the second of two weeks, campers will have the opportunity to practice skills by assisting counselors in Aggie Camps A (ages 4–5), B (ages 6–7), and C (ages 8–10) for part of the day. This program is for young people who are highly motivated, ready to work and play hard, and who demonstrate additional responsibility in accepting the challenges of leadership.

While not required, it is recommended that applicants have leadership experience or experience working with children. There are a limited number of spaces and an application is required. If interested in applying, please fill out the application posted on the UC Davis Youth Programs website and email it to the Youth Programs Administrative Office at youthprograms@campusrec.ucdavis.edu

Volunteer Counselors in Training (CIT)

This volunteer CIT program serves as the follow-up to the CILT Program. The goal of the program is to further develop leadership skills that participants can use throughout life to identify and achieve goals. We also develop participants’ skills in leading and teaching children. If accepted into the program after successful completion of the CILT Program, participants will be assigned a mentor instructor who assists in their development and progress. At the pre-camp training sessions, they will receive training in child development, instructor teaching techniques, child management strategies, child abuse and neglect prevention training, camp logistics and emergency procedures.

The CIT participant is considered a volunteer member. He or she must register for the CILT Program and will be assigned a schedule and volunteer duties. Volunteers may use these hours to satisfy community service requirements for school or extracurricular purposes.

No enrollment codes. Must apply after completion of CILT.
Our spring and summer Aquatics programming includes group, private and adult swim lessons for all levels of ability (see class level descriptions on next page). Our summer Aquatics programming also includes a junior lifeguarding course for pre-teens and teens ages 12–16. In addition, we offer open Rec Swim hours in both spring and summer. All spring and summer Aquatics programming takes place at the Recreation Pool on the UC Davis campus, conveniently located at the intersection of La Rue Road and Hutchison Drive.

Swim class sessions are 35 minutes long and class days vary depending on the season (Spring: Monday/Wednesday or Tuesday/Thursday, and Summer: Monday through Thursday). Overall class length is one, two or four weeks, depending on the type of class (group or private). The junior lifeguarding program is for preteens and teens ages 12–16 only, and is a two-week course offered once during the summer. See the class descriptions and the class schedule on the next page for full information.
**JUNIOR LIFEGUARDING**

10:30 a.m.–12:30 p.m.
A $215  •  B $230  •  Ages 12–16

The Rec Pool Junior Lifeguarding program is open to preteens and teens ages 12–16 with Halibut level swimming ability (see class level descriptions on next page). Classes are two weeks long, Monday through Thursday. A swim test will be given the first day. The swim test will consist of 200-yard freestyle, 200-yard breaststroke and 2 minutes treading water. The focus of the program is to give participants an introduction to the basic skills of lifeguarding, including CPR, first aid, rescue techniques, recognizing and responding to emergency situations and the responsibilities of lifeguarding.

This class will prepare the participant for American Red Cross Lifeguard Training (but it is not the certification course). Participants will receive a whistle and a Rec Pool T-shirt on the last day of class. Please note that CPR will be taught during the second half of the session. If participants miss a day of class or do not show up for the test, they cannot be CPR certified and there is no room for make-ups.

**PRICING KEY:**
- A = UCD STUDENT / CRU MEMBER
- B = NON-UCD STUDENT / NON-CRU MEMBER

---

**SWIM LESSON DESCRIPTIONS**

**Youth Group Lessons**

Youth group swim lessons are offered at the UC Davis Recreation Pool during spring and summer (see dates and times on next page). Classes are divided by swim level (see listings on next page). If you are unsure of your child's swim level, you can stop by the Recreation Pool during our Rec Swim hours and have your child evaluated by one of our Aquatics managers. Due to the many skills required at each class level, it is not uncommon for children to repeat a class. After taking a class, if your child does advance to the next level, please be sure to notify the Youth Programs administrative office at 530-754-4304 on the last day of your child’s lessons so we can move them into the next level (based on availability). We make every effort to accommodate all interested participants by adding classes when needed, based on demand and available pool space. However, this means that we sometimes must cancel or combine classes with fewer than three participants, and we reserve the right to do so.

**Adult Group Lessons**

Adult group lessons are offered at the UC Davis Recreation Pool during the spring and summer season for participants age 18+ (see dates and times on next page). There are two adult levels offered: Beginner and Intermediate. The Beginner class is strictly geared towards individuals who have no swim experience, may have had a traumatic experience in the water and want to develop basic swim skills. The Intermediate level is geared towards adults who know the basic swim strokes and want to work on technique. This level also focuses on building stamina and working with everyone’s individual goal to improve.

**Private Lessons**

Private lessons offer your child the opportunity to receive the individualized attention he or she needs to overcome that next swimming hurdle. Designed for all ages and ability levels, private lessons provide a one-to-one, teaching-to-learning experience. The instructor will work with you to determine personalized class objectives for your child. Please be sure to notify the Youth Programs administrative office at 530-754-4304 to let us know what the participant would like to work on, so we may partner you with the appropriate swim instructor.

**JUNIOR LIFEGUARDING**

10:30 a.m.–12:30 p.m.
A $215  •  B $230  •  Ages 12–16

The Rec Pool Junior Lifeguarding program is open to preteens and teens ages 12–16 with Halibut level swimming ability (see class level descriptions on next page). Classes are two weeks long, Monday through Thursday. A swim test will be given the first day. The swim test will consist of 200-yard freestyle, 200-yard breaststroke and 2 minutes treading water. The focus of the program is to give participants an introduction to the basic skills of lifeguarding, including CPR, first aid, rescue techniques, recognizing and responding to emergency situations and the responsibilities of lifeguarding.

This class will prepare the participant for American Red Cross Lifeguard Training (but it is not the certification course). Participants will receive a whistle and a Rec Pool T-shirt on the last day of class. Please note that CPR will be taught during the second half of the session. If participants miss a day of class or do not show up for the test, they cannot be CPR certified and there is no room for make-ups.

---

**SWIM LESSON DATES AND FEES**

For spring and summer swim lesson dates, times and registration codes, see both the listings below and on the next page and the chart on page 27.

**Spring: Youth Group Lessons**

A $70  •  B $74

Classes are four weeks long, twice a week, Monday/Wednesday or Tuesday/Thursday. All classes will be 35 minutes long.

**SWIM LESSON LEVELS**

---

**Anchovy**

Recommended for children under the age of three. This introductory class for parent and child emphasizes holding techniques for parents to help their child become comfortable in the water. Other course objectives include water safety skills and water adjustment exercises.

**Bat Ray**

Recommended for children ages 3–5. This class is for children ready to swim on their own. We will explore water adjustment and confidence skills through fun games. The focus of these sessions is to help your child become comfortable putting his or her face in the water and blow bubbles so they can be prepared to move on to more advanced swim techniques in future lessons.

**Cod**

Strongly recommended for children ages five and up (due to the more structured learning environment of this class). Children entering Cod-level swim lessons should be comfortable submerging their heads underwater before the start of the session. Emphasis is placed on children learning to float independently on their front and back sides and kicking in both positions. Children will also learn introductory arm strokes during this level.

**Flying Fish**

In this class, your child will learn the coordination of the breaststroke and continue to perfect the elementary backstroke and diving. Your child will continue to build freestyle and backstroke stamina and be introduced to the basics of the butterfly stroke.

**Dory**

At this class level, children should already be comfortable performing front and back floats and recovery. Participants will perfect their front and back kicks across the shallow end of the pool and learn the basic components of the freestyle and backstrokes. He or she will also learn the basics of side breathing and elementary backstroke.

**Grouper**

Objectives for this course include building butterfly technique and turning techniques for all strokes. Your child will also continue to refine all previous strokes, continue to practice dives and begin to swim laps in the pool.

**Eelpout**

In this class, your child will perfect the freestyle and backstroke in a deep-water environment, with emphasis on coordinated breathing. Participants will also perfect the arm and leg movements of elementary backstroke. This level will also introduce breaststroke kick, breaststroke breathing and diving.

**Halibut**

In this class, your child will focus on fine-tuning techniques for all strokes. Emphasis is placed on developing flip turns, diving and endurance to prepare for competitive swimming.
The following is a scheduling chart that will help you choose swim lessons according to lesson type, date, time and swim level. Once you have determined which lessons you want, circle the codes that correspond to those lessons and use them to register on our online system.

Other Aquatics Offerings

Spring and summer Aquatics programming also includes open Rec Swim, and the option to schedule your own private, semi-private and customized lessons. For this and other information not included here, visit the Aquatics page on the Campus Recreation and Unions website at cru.ucdavis.edu/aquatics or call our Youth Programs administrative office at 530-754-4304.

Registration Codes Chart

The following is a scheduling chart that will help you choose swim lessons according to lesson type, date, time and swim level. Once you have determined which lessons you want, circle the codes that correspond to those lessons and use them to register on our online system.
REGISTRATION

Waiting Lists and Participant Substitutions

Waiting lists will be created once an activity fills. If space becomes available, we will begin calling people on the waiting list. Participants may not be registered for a camp and remain on a waiting list for the same week. Only participant substitutions between qualifying siblings (age and skill appropriate) are allowed.

Transfers

Requests for a transfer from one youth activity to another will be charged a $25 processing fee. Transfers will only be completed if there is a spot available in the desired camp to which the camper will be transferred. Requests for transfers must be received in the Youth Programs office no less than 21 business days prior to the first day of camp to qualify. Transfers received after this timeframe will be granted only if a waiting list exists for the original activity and we are able to sell the spot to a person on the waiting list. If we are able to sell the spot, we will process the requested transfer and charge a $25 processing fee.

Cancellations

If for unforeseen reasons (such as low enrollment) Youth Programs needs to cancel a program, we will reschedule it if possible. If rescheduling is not possible, we will issue full refunds or credits toward another activity.

Medical Refunds

Requests for a refund or transfer in cases of illness or injury will be considered up to the first day of camp with a doctor’s note and a letter from the parent or guardian requesting the exception. No medical requests will be considered after the first day of camp.

Refunds

Once a registration has been completed, all reservations are considered final. Requests for refunds, transfers or credits must be submitted in writing to the Youth Program email no later than 21 days prior to the first day of camp in order to be considered. All transfers, credits or cancellations received prior to 21 days before the first day of camp are assessed a fee of $25 per child, per camp.

No refunds, credits, or transfers are issued for requests received within 21 days of the start of camp. In the case of illness and injury, requests are considered only when accompanied with a doctor’s note and letter requesting the exception. The $25 fee still applies. Refunds received after this timeframe will be granted only if a waiting list exists for an activity and we are able to sell the spot to a person on the waiting list. If the spot is sold, we will then issue a credit or refund. If we are unable to sell the spot, we will not be able to refund the registration fee. No requests will be considered after the first day of camp.

Afternoon Adventures and Swim Lesson Refunds

All transfers, credits or cancellations received prior to 21 days before the first day of session are assessed a fee of $15 per child, per program.

Camps are not prorated (with the exception of camps during the week of the Fourth of July holiday), nor are session dates individualized. Refunds are not available for vacations, special events or other personal commitments that prevent attendance.

Credit

In some cases, credits are given in lieu of refunds and must be used for the specific program originally purchased. Credits must be used within the summer they are given.
CAMP RULES

Medical Insurance
All campers are required to have current personal medical insurance during their time at camp.

Camper T-Shirt Policy
All camp participants are required to wear their camp t-shirt each day of camp. We will provide one shirt per participant, per week. Additional shirts may be available for purchase while supplies last.

Electronics Prohibited
Electronics (cell phones, hand-held video games, etc.) are prohibited in camps and will be confiscated by camp staff, to be returned at the end of the day.

Dismissal from Camp
On occasion, dismissal from camp may be necessary for behavioral reasons. This action will take effect only after consultation among parents, camper and the Senior Assistant Director of Youth Programs. If a camper is dismissed for disciplinary reasons, there will be NO REFUND for the unused days.

There are times when the camp must dismiss a child due to a physical or developmental disability that precludes the child from participating safely or effectively in a group. Dismissal will take effect only after consultation among the parents, camper and the Senior Assistant Director of Youth Programs. Dismissal for the aforementioned reasons will result in a complete refund for the unused days.

OTHER POLICIES AND REGULATIONS

Program Policy
The State of California requires that sponsors of recreation programs inform parents of the nature and structure of programs in which their children are participating. Child care and recreation are differentiated by the State and the differences are included in a manual called The California Community Care Licensing Manual. Programs that meet the definition of child care must be licensed by the State. In order to become licensed, a program must meet a variety of requirements related to facility, staff and program structure. In recreation activities, children have the right to come and go from the facility, and staff will not supervise children to prevent them from leaving the facility when they desire. The State also requires that the sponsor of the program have a signed statement from each parent/responsible party that they understand the conditions under which the facility operates and that it is not a licensed child care facility.

Publicity
Campus Recreation and Unions may, from time to time, photograph or videotape participants and use the footage for promotional materials. Unless informed otherwise at the time of registration, the department will presume that consent for minors to be photographed and videotaped has been granted by parents/guardians.

Accessibility
Accommodations for participants with disabilities will be provided with two weeks advanced notice. Please call 530-754-4304, fax 530-752-6070 or email your request to youthprograms@campusrec.ucdavis.edu.
